April 19, 2020

Dear Assisteens and Families –

Greetings and well wishes to all Assisteens/Families!

Ordinarily, we would have had our meeting today – please let this email provide information in lieu of that meeting, and sorry this is not as much fun as meeting and eating together 😊

ELECTIONS – FOR THE 2020-2021 ASSISTEENS GOVERNING BODY!

You will recall that in February, we selected the Assisteens Nominating Committee in accordance with the Assisteens "Policies" regarding elections.

The Nominating Committee selected and submitted its proposed 2020-2021 Assisteens Governing Body Slate.

The General Membership is to vote regarding the 2020-2021 Assisteens Governing Body.

PLEASE NOTE: We will very soon open the vote - for the 2020-2021 Assisteens Governing Body - to all Assisteens **via email**. That email will have a link to Google Forms, so that each general member may vote - once. I will be sending that email, with the link to Google Forms. The current Assisteens Governing Body is now reviewing the proposed language/information on the Google Form. Once the Governing Body submits its approval/authorization, I will send that email to all Assisteens/Families – again – which will have the link to Google Forms – by which you may cast your vote.

Each Assisteens member may vote once. Voting will be open for one week from the date that email is sent. I will send an email to all Assisteens/Families each day of that week, noting the number of days you have left to cast your one vote.

If you have any questions, please email/call/let us know!

WHAT THE REMAINDER OF THE 2019-2020 ASSISTEENS YEAR LOOKS LIKE –

We will most likely not be able to have a "Medallion Event" this year - we will keep all Assisteens/Families posted about future events.

This will not be the last you will hear from us – we do want to thank all Assisteens and Families for your great enthusiasm and help during this unusual year!

INFORMATION REGARDING REGISTRATION FOR THE 2020-2021 ASSISTEENS YEAR

As in the past, registration is ONLINE THROUGH THE ASSISTANCE LEAGUE WEBSITE.

Typically, registration commenced in mid to late April – this year the opening registration date will be postponed a little bit. We will keep you informed about when registration/sign-up opens.

We look forward to seeing and working with so many of you again – serving our community and those in need.

Thank you for your generosity of spirit, time, energy, and hope –

Most sincerely,
Jeanette Viau
