Dear Assisteens and families –

Through the Assistance League of Flintridge, Assisteens Program:

This Sunday, September 16 at 4:00 p.m. in the Assistance League of Flintridge Chapter Meeting Room - Two special presentations will be made and all Assisteens and family members are invited:

1. Melina Tsotras, a 12<sup>th</sup> grade student at LCHS, with four years in Assisteens, and a member of Girl Scout Troop 7331, is working on her Gold Award Project. Melina is making reusable produce bags so that consumers do not need to use plastics when they buy fruits and vegetables. Part of Melina's thoughtful presentation will be a slideshow. Melina will hand out some of the bags she has made. Melina will also provide information about other useful alternatives to plastic products – to make our world a better place.
2. In addition, we will have a special presentation by ALF member, Rose Nielsen, who will speak about her work with therapy dogs. Rose will be accompanied by therapy specialist Blondie – a beautiful and sensitive therapy dog. Rose will have a wonderful presentation about their important work and service, helping children with health issues, who find love and care because of Rose and Blondie.

We hope you will be able to join us for this informative first meeting.

Jeanette Viau  
Assisteens Coordinator
