Dear Parents,

We are pleased that your student will be joining us this year for ALF's Instrumental Music program. Music classes begin the week of September 10th. Attached you will find your customer statement showing the class that your student is registered for along with the room assignment.

For those who paid to rent an instrument through Assistance League of Flintridge, be sure to attend Rental Day this Saturday, September 8th at Lanterman Auditorium to pick up your instrument. Our inventory is limited and instruments are rented on a first-come, first-served basis with priority given to beginning students. **Beginning** student rental pick-ups will be between 10:00 and 11:00 AM. **Returning** student rental pick-ups will be between 11:00 AM and 12:00 PM. Registrants must have paid for their rentals by September 5th at 5:00 PM in order to participate in Rental Day. **String** students must be present to be measured for their instruments. All other students are welcome to attend with their parents but it is not required.

Students renting **clarinets, saxophones, and oboes** will need to provide their own reeds. Clarinets and saxophones use strength 2.5 and the oboe reed should be medium-soft. These are available through music stores or Amazon.

Students registered for **Percussion** will need to rent their percussion kit from a music store since ALF does not have these available for rent. There is a list of music stores in the Student Handbook online, along with other information about the program at ALFlintridge.org. We email announcements and schedules throughout the school year, duplicating this information on our website. Be sure to check your student's class page frequently to see if anything has been missed and let us know right away, if your contact information changes.

If you have further questions, you may contact us at instrumentalmusic@alflintridge.org or call 818-790-2211.

Thank you for joining ALF Instrumental Music! We are looking forward to a great year.

Deena Keys, Instrumental Music Chairman
