

October 28, 2018

Well, we did it!

Thank you all SO much for helping to make this production possible. I wish I could have thanked you all individually Friday night, but I know I would have forgotten someone! I believe drama is such an important program for these kids, and they did an amazing job.

Thank you all so much for taking the time to help make sure this was a production these kids will never forget!

PS - I believe there will be a Shutterfly where we can view, download, and share the pictures that were taken. I will keep you posted!

-Ms. Katelyn
