Dear ALFie Players parents,

Your children are doing well at rehearsals and will provide a fun performance of *The Aristocats – KIDS* on Friday, October 26<sup>th</sup> at 7 p.m. We all look forward to seeing their play.

Because the scripts are licensed from Disney through Music Theatre International, there are special provisions in our contract. In particular, we need you to be aware that **“The videotaping or other video or audio recording of this production is strictly prohibited.”** However, before you despair that you cannot save your child’s performance for posterity, let me assure you that we were able to pay an additional fee to obtain a special video license from MTI. This license allows ALF to hire a single videographer who can shoot an archival video which can be distributed to the cast and crew on DVD. On the positive side, this allows you and your family to relax and enjoy your child’s performance without worrying about cameras, focus, and sound.

Nine families have already paid for DVD’s at registration\*. If you did not and would like to purchase a DVD, please fill out the attached order form, enclose it with \$30 cash or check payable to Assistance League of Flintridge, and return the form to Tristan at rehearsals next week or to the Box Office table on the night of the performance. We will notify you approximately two weeks after the performance when the DVDs are ready to be picked up at the ALF office.

Also, thank you all for your participation in the ALF Drama program. As you know, we are all volunteers, so your help with props, displays, make-up, ushering, etc. is both needed and appreciated.
