Dear Beginning Brass Music Parents,

It has come to our attention that our Beginning Brass Sectional scheduled for today at 1:00 PM in the CMR at ALF was overlooked and parents were NOT notified by email. We sincerely apologize for this oversight.

For anyone who can still attend at the last minute, we WILL have this Sectional.

Please note - We are also having our Christmas Event in the Bargain Box today so parking will be challenging. You may want to park and walk your student in to the back.

If you have questions, please feel free to call 818-790-2211.
