

February 7, 2019

Hi Everyone!

Rehearsals have been a blast so far, I can't believe we are already half way through the program! I just wanted to make you aware of some important dates coming up:

TUESDAY, MARCH 5th -

Putting this first because this is new and NOT on the schedule. **The city just notified us that they are planning a City Council meeting on this day, and they need us out of Lanterman at 5:00 :(.** Since this is tech week, it is very important that I'm able to see the kids for the same amount of time, so **we are moving rehearsal to 3:15-5:00 that day.** My apologies for the inconvenience. I'm aware of the time conflict for LCHS 7th graders, so I understand if they are late that day.

COSTUME CHECK and CAST PICTURE - FEBRUARY 19th

On this day, please send your kid's costume with them so they can try it on and show us. Let me know if you have any questions about their costume!

This is also the day when the outlook will be taking the cast picture for the paper.

LINES/SONGS TEST - FEBRUARY 21st

Please work with your kids to make sure they are off book on this day! They will be quizzed on both lines and songs. It's so important that they are very comfortable with their lines before tech week!

Let me know if you have any questions/concerns about the above. Thanks!

Katelyn Fike
ALF Drama Director
