Dear Strings Parents

It is time to schedule our Spring Sectionals. This year our instructors would like to try to something different. Instead of holding group lessons, they would like to give each student the opportunity to sign up for one 15 minute lesson on either February 26th or March 13th between 3:15 and 7:15 PM. These lessons would be held at ALF in the Chapter Meeting Room (CMR) at 4607 Oakwood Avenue. Since the lessons are only 15 minutes long to accommodate all of our String students, we ask that you arrive to the lesson early and we encourage the parents to sit in on the lesson to hear how the student is progressing. Don't forget to bring their instrument and all their music.

For the appointments, we are using Signup Genius. We will be having two lessons during each time slot. Below is the link to the signup.

This is our first time trying to schedule appointments. Hopefully it will be easy for everyone to use. Please sign up for only one appointment per child. If you have trouble, please email me at instrumentalmusic@alflintridge.org

Due to the Sectionals schedule, it is necessary to cancel the Strings classes on the afternoon of February 26th and March 13th. Don't forget to check our calendar frequently for updates. Here is the link:
