We did it!

As usual, I am very impressed at what these kids can pull off in the short amount of time we have together. I truly love working with them, and I'm so proud!

We have a number of lost and found items - I will be sending an email with pictures of the items tomorrow, so be on the lookout for that.

I believe that being part of a program like this teaches so many valuable lessons and life skills, and provides them with a community that instills creativity and teamwork. I hope to see your kids next year! Shows will be announced this summer, and I am very excited about what we have chosen!

If your kids happen to get the itch to perform this summer, I teach "All the World's a Stage" (Grades 4-6) and "Glee" (Grades 7-8) for ALF summer school :)

Have a great rest of the school year!

Katelyn
