

July 3, 2019

Dear Families,

As we have made it through the second week of summer school, I cannot express enough how much we value your children, our teachers, and our aides. As I am privileged to go in and out of classrooms each morning, I am impressed with all of the wonderful things going on here each day!

There is NO SCHOOL tomorrow, Thursday, July 4th and Friday, July 5th. We hope you have a wonderful holiday and long weekend together. We will see everyone back on Monday, July 8th!

ATTENDANCE: We hope to see your children every day. If for some reason they cannot join us, **please call the Attendance Hotline at 818-952-4281 and inform us of your child's full name, day(s) of absence and a call back number.**

DROP-OFF and PICK-UP: Our primary goal is to protect the safety of our children, so please be extra vigilant as you are driving and looking for detours and possibly unexpected stopped traffic.

Recap of classes this week:

Culinary Arts: This week they are in the process of making pizza. Tomorrow is pasta and tomato sauce.

Engineering & Construction: Bridges are being made using toothpicks,

Sculpture & Ceramic Art students are hard at work making ceramic faces.

Glee students have learned the singing parts of several current songs including Bohemian Rhapsody!

Math Enrichment: Such a fun way to help better understand math – Now focusing on the correct order of operation while playing games.

Robotics & Coding students have programmed robots that they are controlling with apps on their phones and are starting to learn Python to construct virtual dice.

Energy, Technology & You students are learning how to increase the accuracy and precision of their catapults.

Tennis and Sports Zone: Tennis and activities such as Swamp or Boundary Ball are being enjoyed by all.

Writing Workshop students have created characters, are understanding different types of conflict and are starting to organize the flow of their stories. They are in the process of developing their storyboards.

Sign Language students are actively learning how to converse using sign language.

Drawing & Painting students are learning how to orient their drawings using freehand methods.

Christina Okland will be taking over as Principal on Monday as this is a split position.

With warm regards,

Mark Ewoldsen, PhD.

Assistance League of Flintridge Summer School Principal
