

July 12, 2019

Dear Families,

The third week of summer school has come to a close. It's hard to believe that we have only one more week to go! Time certainly flies! I have truly enjoyed watching all of the creativity and learning taking place in the classrooms. Your children are talented in so many ways!

ATTENDANCE: We hope to see your children every day. If for some reason they cannot join us, **please call the Attendance Hotline at 818-952-4281 and inform us of your child's full name, day(s) of absence and a call back number.**

DROP-OFF and PICK-UP: Our primary goal is to protect the safety of our children, so please be extra vigilant as you are driving and looking for detours and possibly unexpected stopped traffic.

Recap of classes this week:

Culinary Arts: This week they made butternut squash, mac n' cheese, cornbread with honey butter, and omelets.

Engineering & Construction: They participated in toothpick bridge building and egg-drop challenges.

Sculpture & Ceramic Art: Students worked on the pottery wheel and created paper maché masks.

Glee: Students have learned to sing parts of several current songs including *Shallow*.

Math Enrichment: Math games and scavenger hunts involving two-step equations.

Robotics & Coding: Lego® robotics creations have been made and robot battles have begun. Students are continuing to learn Python and Scratch by using coding games.

Energy, Technology & You: Cookie mining, fossil fuels, and car building have all been discovered.

Tennis and Sports Zone: Tennis and activities such as kickball and dodgeball are being enjoyed by all.

Writers Workshop: Students have created characters. They are understanding different types of conflict and are starting to organize the flow of their stories. They have begun to develop original poetry as well.

Sign Language: Students are actively learning how to converse and demonstrate feelings using American sign language.

Drawing & Painting: Students are learning how to make color wheels and create hues of colors.

With warm regards,

Christina Okland
