Dear Parents,

Thank you for enrolling your students in the 2020 ALF Summer School program.

In light of the current coronavirus situation, we have been considering what the Assistance League of Flintridge Summer School should do going forward, so we wanted to share our thoughts with you.

Right now, we are hoping that the virus is under control by June and the start of the program but unfortunately there are no guarantees. At this time, we are continuing to prepare for summer school. We will keep you informed of the status of the program as any changes are made.

Please be assured that Assistance League wants Summer School to go on as it has for over forty years. We are still working to make that happen. We all hope that it can. In the event there is no program, class fees will be refunded.

Be safe and stay well,

Sue Sheedy & Michele Listo
