

INSTRUMENTAL MUSIC SURVEY

During this time of COVID-19 restrictions, Assistance League® of Flintridge's Instrumental Music program is working to formulate a plan to provide virtual instruction for our students, with each of our instructors teaching interactively on Zoom or a similar format. Please help us by replying to the survey below by **FRIDAY, AUGUST 21**. Your responses are important and will help guide us as we move forward.

Our instructors look forward to working with your child and are excited about the new opportunities a virtual program can offer.

We anticipate starting in October, but as our plans develop, we will keep you informed through email and information will be posted on our website:

Thank you for your time and thoughts.

~ Nancy Gunther and Joanna Petroff ~ ALF Instrumental Music 2020-2021
