

Dear Fourth Grade Parents,

Since 1985, Assistance League[®] of Flintridge (ALF) has provided an opportunity for 4th-6th graders to learn to play an instrument through its Instrumental Music program. Until this year, classes have been held before or after school at each of the elementary sites. During this time of COVID-19 restrictions, ALF is working to formulate a plan to offer virtual instruction, with each of our instructors teaching interactively on Zoom or a similar format.

Fourth graders can join the program as Beginners and move into the advanced group of Concert Band or String Orchestra in fifth and sixth grade. The fee of \$150 provides weekly classes during the program. Instruments may be rented from ALF for \$200 while participating in the program.

Since the program is being restructured for virtual instruction, we need an idea of how many students would be interested and what instrument they would choose. If your child is interested in this opportunity, please help us plan by replying to this SURVEY by FRIDAY, SEPTEMBER 11. Your responses are important and will help guide us as we formulate an online program.

We anticipate starting the program in October. When information is available, it will be posted on our website:
