Dear Brass Parents,

I hope your students are enjoying the Assistance League of Flintridge Instrumental Music program! ALF has generously made it possible for us to have Brass sectionals in addition to the regular weekly classes. A sectional is a practice for an individual section or instrument so that more in-depth instruction and practice can happen.

Our first sectional is Thursday, November 4th. It will be on the patio outside the Chapter Meeting Room (CMR) in back of the Assistance League Chapter House which is at 4607 Oakwood Ave in La Cañada Flintridge, just north of the library. Go down the driveway to the left of the main building. The largest group would be 10 students and some could be just 3 or 4, so there will be plenty of room for social distancing as well as instructor attention.

Your child should bring his/her instrument, Music book, and a pencil.

It is really helpful for the Music students to have this extra practice. I understand that many children have after-school activities, but if it is possible to re-arrange schedules, your child will definitely benefit from this opportunity.
