Dear Instrumental Music Parents,

This is the time of year we are usually planning for our December Winter Concerts at Lanterman, but given the uncertainty of band protocols, which currently require band groups with blowing instruments to play outside, a decision was made to postpone the concerts until the first week of February, in hopes that all students will be able to perform inside.

New schedule for ALF's Winter Concerts:
More details will be sent later ~

Monday, January 31, 2022: Strings Rehearsals
Tuesday, February 1, 2022: Strings Concert

Wednesday, February 2, 2022: Band Rehearsals
Thursday, February 3, 2022: Band Concert

I know all the classes are working hard and will be excited to perform together on stage at Lanterman!

This is also the time of year when we begin to schedule our Sectional events for Brass, Woodwinds, and Strings, to be held at ALF in the CMR. A Sectional is a practice for an individual section or instrument so that more in-depth instruction and practice can happen. You will receive an email when your child's instrument group is due to meet. We encourage you to make every effort to arrange for your child to participate in this activity. It is a unique opportunity for specialized help and instruction.

Thank you all for supporting your child in his/her musical journey.

Warm regards,

Nancy Gunther, ALF Instrumental Music Chair
