

November 2, 2021

**Hello! Just a reminder that all students are required to bring their costumes and make up tomorrow for our dress rehearsal! It is very important that the kids bring the make up supplies listed below for everyone's safety.** I've included last week's make-up email for reference. Please let me know if you have any questions!

COSTUMES - Please have your child bring their costume on a hanger! Any other pieces can go in a bag with their name on it. There will be an area to hang up their costume in the dressing room so it doesn't get lost, dirty, or wrinkled.

**\*\*Also - We are taking the kids' orders for Subway sandwiches today** (to provide for dinner this Friday), since each meal needs to be pre-packaged. They will have a few options to choose from, but please let me know if there are any dietary restrictions that we need to be aware of for your child.

-----  
Here are some directions regarding hair and make up for tech week and the show:

**Due to COVID-19 children must bring their own make-up and hair supplies to rehearsals! This is CRUCIAL, as students are NOT allowed to share make-up between due to sanitary reasons.**

**Stage make-up is very important for both boys and girls** because the stage lights are very bright and tend to make the kids look pale and flushed out. Make-up helps a great deal with this.

**Make-up that students are REQUIRED to bring on 11/3-11/5 (Please put in a bag with their name on it):**

**Foundation**

**Blush**

**Lipstick (or tinted chapstick)**

**Eye shadow**

**Eyeliner**

**Mascara**

**Make up remover wipes**

Our hair/make up moms will be assisting the kids with their make-up and hair for the show. No elaborate hair-do's are needed. We will just make sure it looks neat and is out of their face.

**Hair supplies to bring (In a bag with their name on it)**

**Hair ties**

**Barrets**

**Bobby pins**

**Brush or comb**

**(Any other supplies they like to use)**

**Another COVID-19 note:**

We will be having make up and hair done outside at three separate and socially distanced stations. Hair/Make up moms are fully vaccinated.
