Hello,

Here are the audition materials that your children will need to prepare for Thursday 1/13. We will be practicing the audition lines and song tomorrow, so if you can please have your child print the documents out or download them to their device, that would be great!

Attached are the sides, Nancy's accompaniment to the chorus of "a Circle of Life", and the lyrics to the chorus. This short excerpt of the song is all your child will need to sing for auditions. We will be giving them more specific directions regarding auditions during rehearsal tomorrow.

Please let me know if you have questions about any of the above!
