

January 20, 2022

Hello everyone,

I wanted to email to happily confirm that starting next week **(Tuesday 1/25 @ 3:15pm)** we will be resuming in-person rehearsals at Lanterman Auditorium! We are so excited to finally be able to see/meet all our new and returning students.

Lanterman Auditorium address:

4491 Cornishon Ave.

La Canada, CA 91011

Please see below for important guidelines -

COVID TESTING

Please send me proof of a negative COVID-19 test (Antigen or PCR) that is taken no earlier than the Friday before our Tuesday class. For example, please wait until at least Friday the 21st of this week to test your child, and send me a picture or document of the negative result by Tuesday morning on the 25th.

*If your child is taking a rapid test, the closer to Tuesday you can test them, the better. However, if it is a PCR test, we want to make sure you have allowed enough time for the results to come in.

If you cannot provide proof of your child's negative COVID-19 test before the Tuesday rehearsal, they will not be able to attend that day. If your child shows up to rehearsal without providing proof of a negative test, they will not be able to participate.

**Staff will also be testing weekly

COVID-19 PRECAUTIONS

- **ALF Drama will be following current LCUSD COVID-19 guidelines.** Drama staff has been vaccinated and boosted. Staff and students will wear masks during rehearsals and face shields during the performance. All participants will be socially distanced and sanitizing protocols will be in place. ALF will continue to update its procedures as COVID-19 guidelines evolve.

COVID-19 protocols also include:

- DO NOT drop off your child at rehearsals if they are showing COVID-19 symptoms (cough, fever, sore throat, body aches, chills, shortness of breath, loss of smell and/or taste, nausea or vomiting, etc.)
- Temperature checks and health questionnaires will be asked by assistant director Tristan Waldron every day before entering the rehearsal space
- If your child answers “yes” to any of the health questions, they will be separated from the group until a care-taker can pick them up, as they will not be permitted to join rehearsals
- HEPA air purifiers will be running in smaller and/or less ventilated rooms and hand sanitizer will be offered regularly
- Snack time will be outside and socially distanced
- Per LA county standards, if 4 individuals (or more) in our group tests positive for COVID-19, we will immediately go virtual for 2 weeks
- If your child has had exposure to someone with COVID-19, it is YOUR responsibility to disclose this to us, keep your child home, and follow the appropriate quarantine measures for everyone’s safety involved.

Thank you as always for your cooperation and flexibility. Please let me know if you have any questions or concerns.

Best,
Katelyn
