

January 12, 2022

Hello everyone,

We had a great first rehearsal over Zoom on Tuesday. The kids we're very engaged and energized throughout! We went over the general show information and discussed/practiced the audition process for tomorrow. **I have re-attached the audition materials below for anyone who needs them (sides, lyrics, and song accompaniment)**

***For tomorrow's rehearsal, please supply your kids with multiple sheets of **blank white printer paper and a black marker or sharpie** - they will be drawing "Lion King" pictures while waiting for their audition. We do this every year, and some of the kids' artwork will be chosen to appear on our official show T-shirts! **After rehearsal, please take a picture or scan the drawings and email it to me by Tuesday 1/18 so your child's art can be considered.**

After rehearsal tomorrow (Thursday 1/13) we will be having our PARENT MEETING from 5:00-5:30pm. On the top of our list will be plans to continue our program as safely as possible, and what in-person rehearsals may look like in the coming weeks. We will also answer your questions and discuss important dates, etc.

We will be using the same Zoom link that we use for our rehearsals for the meeting, so feel free to log in on your own device at 5:00pm or use your child's device to attend the meeting.
