

January 18, 2022

Hello everyone,

Below are parent crew positions that I discussed during Tuesday's meeting. Please let me know if you're interested and able to participate!

**Photography (Must be available during dress rehearsals (3/2-3/3) to take onstage candid pictures, as well as one earlier rehearsal (when you're available) to take individual headshots of each student:**

1-2 people

**Lobby Display (Must be available at some during tech week rehearsals (2/28-3/4) to decorate display case in the lobby before the show)**

2 people

**Themed raffle prize baskets (On your own time before the show - baskets given out right after the show):**

3-5 people

**Hair/make-up (Must be available for rehearsals on 3/2, 3/3, and 3/4, and before the show on 3/4)**

Due to COVID-19, we are still deciding if we are going to utilize an involved hair/make up crew. If it interests you, let me know and we will keep you updated.

4-6 people

**Costumes (On your own time during the rehearsal process, to be completed by costume check - 2/15)**

Parents provide the costumes, but there are sometimes pieces that we need help to make on our own. If anyone else enjoys sewing, or is crafty, let me know.

1-2 people

**Props**

1-2 people if you are crafty and interested. This is actually a prop-light show, so we won't need too much.

Please let me know if you have any questions or want to join any volunteer crews.

Best,  
-Katelyn
