Re-sending this as a reminder. Our read thru is tomorrow, so please make sure to pick up your child's script if you haven't already! Thanks.

Hello LION KING parents,

I hope you're well. I am looking forward to seeing everyone on zoom this Tuesday!

Since I won't be able to hand out scripts in person, we are going to be putting them in the foyer of the Assistance League Chapter House for you to pick up.

The chapter house is located at - 4607 Oakwood Ave., La Canada, 91011, and it is open Monday-Friday from 8:30am-1:00pm. Please ring the doorbell of the building as the office is usually locked.

There will be a sign out sheet next to the scripts on the table right as you enter the office, please sign your name next to your child's name as you take a script. There are only 30, and we need extra, so please only take 1 per student.

Please pick up your script by Tuesday 1/18! That is when your child's role will be assigned and we will be having a read thru of the whole show.

The scripts are available at the chapter house now. Let me know if you have any questions!
