Dear ALF Music Parents,

Happy New Year! I hope you all had a wonderful winter break and are geared up to face what's turning out to be a COVID-crazy beginning to 2022! I had just written an email reminding you that classes are resuming tomorrow, when I heard that LCUSD had postponed in-person school until Thursday, with a negative test result requirement. Given all the uncertainty, ALF has decided to wait until next week to start our classes. Hopefully by then things will have settled down a bit.

Looking forward, our upcoming Concert schedule is:

Monday, January 31: String Rehearsals

Tuesday, February 1: String Concert (Call time 6:30, Concert at 7:00)

Wednesday, February 2: Band Rehearsals

Thursday, February 3: Band Concert (Call time 6:40, Concert at 7:00)

Rehearsals will begin after school, typically at 3:15 or 3:30, last an hour and the first hour is for Beginners.

Students will need to wear Concert dress for the Concert only, not rehearsals.

Concert Dress: white tops, black bottoms or black dresses, no white tennis shoes.

Reminders will be sent closer to the event.

Today has brought an ever-growing email chain as we've tried to navigate this recent development ~ I know we all want to do whatever we can to keep everyone healthy. Thank you for your patience and understanding.

May 2022 bring your family the blessings of good health, the joys of music ~

Nancy
