Dear PCR and PCY Concert Band Families,

I wanted to let you know that Amanda Campos will now be the Woodwind Assistant for the PCR and PCY Concert Band classes, a position previously held by Shahid Osuna. Ms. Campos is a Woodwind specialist, currently serving as Assistant for the Beginning Woodwind classes working with Mr. Osuna. Mr. Osuna's schedule has changed, creating a conflict on Mondays and Fridays, but we are fortunate that Ms. Campos is able and eager to take on that position.

I am confident that she and Phil Yao, our Concert Band Director, will make a great team.

Warm regards,  
Nancy
