Hello everyone,

The kids are doing so well learning their lines, songs, and blocking during rehearsals! **However, the show also needs the help of parents to be successful. There are still some parent volunteer positions that need to be filled in order to have the support we need to put this production together.** If you haven't yet signed up, please consider helping out with one of these crews. Please let me know if you are available and willing to help out!

Lobby Display (Must be available at some point during tech week rehearsals (2/28-3/4) to decorate display case in the lobby before the show)
