Shoes, Glorious Shoes!

Once again, the [Assistance League of Flintridge](#) generously donated 300 pairs of shoes for Learning Works students. Learning Works Charter School have set up “shop” in the lobbies of the Pasadena and Boyle Heights campuses, so students can choose a pair they like and take them home... completely free! A huge thank you to the Assistance League of Flintridge and Lori Rotenberg for coordinating the donation – “we absolutely love our Learning Works friends who find creative ways to support our youth.”
