Dear Woodwind Families,

Welcome (or welcome back) to the Assistance League of Flintridge Woodwinds Program! We are excited to be able to offer the first set of sectional practices for the 2022-23 year. A sectional is an additional practice for a specific section/instrument or instrument group. They allow for us to bring together the students from each of the three elementary schools so that they can practice their specific instrument together prior to the December concert on 12/8/22.

We will be splitting up the Woodwinds between two days as per the schedule below. As you can see the schedule is very tight, so please plan to arrive 5-10 minutes prior to your child's group and please be on time for pick-up afterwards so that our instructors can maximize the instruction time.

Sectionals will all be held in the Chapter Meeting Room (CMR) in back of the Assistance League Chapter House, which is at 4607 Oakwood Avenue in La Cañada Flintridge, just north of the library. To get to the CMR from the ALF parking lot, walk down the driveway on the south side of the main building and you will see the CMR in the back. This is where we held the parent info meeting in August.

Your students should bring their instrument, music folder, a pencil and music stand if you have one.

It is really helpful for the students to have this extra practice. We understand that your children have after-school activities, but if it is possible to re-arrange schedules to attend the sectionals, it would be beneficial for all.
