

October 10, 2023

Attention PCR 5th Grade Families,

We wanted to let you about an upcoming schedule conflict with our end-of-the-year Spring Instrumental Music Concert. Unfortunately, our Spring Concert is the same week that the PCR 5th graders are scheduled to be on their class trip to Valley Forge. We have to reserve our concert dates at Lanterman Auditorium a year in advance and the 2023-24 class trip schedule had not been published at that time. When the conflict was brought to our attention, we tried to move our concert dates, but Lanterman is completely booked in the Spring and we weren't able to switch or reschedule.

We try our best to avoid conflicts with school events, and we sincerely apologize for this unfortunate situation.

Please let us know if you have any questions.

Mary Carney
2023-24 ALF Instrumental Music Chair
