

CORRECTION - THE INSTRUCTIONS SHOULD SAY "COUNTER CLOCKWISE." DRIVE THROUGH THE PARKING LOT IN A COUNTER CLOCKWISE DIRECTION. SORRY FOR THE ERROR.

December 7, 2023

Hi Parents,

We are excited to see you all tonight for the Winter Concert at Lanterman Auditorium at 7pm. For the safety of the students, when dropping off this evening, please drop your child off and then find parking. Please drive through the parking lot in a **COUNTER CLOCKWISE** direction and drop off at the loading dock doors.

Upon entering the lot, drive all the way to the west end of the lot and turn left (south) to drop off at the loading dock doors. After you have dropped your child, then you can find parking and enter the auditorium through the main lobby entrance along Cornishon.

After the concert, the students will collect their instruments and meet you in the audience and you will exit through the lobby.
