

February 13, 2024

Hi A-Teens & Families!

It's hard to believe it's February and we have only four (4) meetings left until the end of our year together and so much to accomplish:

- A Nominating Committee needs to be selected.
- The Governing Body of 2024-2025 has to be selected.
- A Medallion Dinner to recognize our Seniors and celebrate our year is May 20 and the Medallion Dinner Planning Committee needs to be identified in order to ensure a successful event.
- Bargain Box staffing responsibilities need to be fulfilled.
- Service hours will need to be verified.
- On-going philanthropic projects will have to be completed.
- New philanthropic endeavors will have to be identified and relationships forged.
- We need to identify the time and dates of our 2024-2025 meetings and identify projects for the upcoming year.

We are looking forward to seeing you at our next meeting on Monday, February 26 at 6:30 pm where we need your ideas and suggestions.

All the best in the Spring,

Becky, Britta and Nancy
