Hello!

I am resending this email to remind you to please send your child's costume, make up and hair supplies tomorrow!

Please make sure their supplies are in a bag with their name on it! Additionally - It would be so helpful if their costumes are on hangers tomorrow. That way when they change out of them, they can hang them up in the dressing room and they won't get lost. Thank you!

Hello,

Here are some directions regarding hair and make up for tech week and the show:

Stage make-up is very important for both boys and girls because the stage lights are very bright and tend to make the kids look pale and flushed out. Make-up helps a great deal with this. **For sanitary reasons, all kids must bring their own hair and make-up supplies!!**

Make-up that students are REQUIRED to bring on Wednesday, 3/6
(Please put in a bag with their name on it):

Foundation

Blush

Lipstick (or tinted chapstick)

Eye shadow

Eyeliner

Mascara

Make up remover wipes

Our hair/make up volunteers will be assisting the kids with their make-up and hair for the show. No elaborate hair-do's are needed. We will just make sure it looks neat and is out of their face.

Hair supplies to bring (In a bag with their name on it)

Hair ties

Barrets

Bobby pins

Brush or comb

(Any other supplies they like to use)

Let me know if you have any questions. - Katelyn
