

September 25, 2024

Hello,

All the kids looked great in their costumes yesterday!

You may have noticed I kept a few things: Turtle shells, shark fins, and wings. I am currently working on tweaking the look and quality of these pieces for the show. They will get them back during tech week!

Shoes:

Please have your child wear plain black, brown, or tan colored shoes. Think ballet flats, jazz shoes, or shoes that are monochrome with no visible logo. For Marlin, Nemo, or Pelicans, plain white shoes will work as well.

Another option would be shoes that match the dominant color of your child's costume. This only works if your child just has ONE character to play!

Let me know if you have any questions about this. So excited to see the show coming together!

Best,
Katelyn
