

September 25, 2024

Hello,

This is a reminder that **our lines test will be next week on Tuesday 10/1. This includes both speaking and singing lines!** We will be reciting the whole show with no script to make sure the kids all know their parts. It is so important to take the time to practice with them to make sure they are prepared - the show is coming up fast! Let me know if you have any questions or concerns.

Thank you,
Katelyn
