Hello,

Here are some directions regarding hair and make up for tech week and the show:

**Stage make-up is very important for both boys and girls** because the stage lights are very bright and tend to make the kids look pale and flushed out. Make-up helps a great deal with this. **For sanitary reasons, all kids must bring their own hair and make-up supplies!**

**Make-up and hair supplies that students are REQUIRED to bring on Wednesday, 10/9**

**Make-up to bring (Please put in a bag with their name on it):**

**Foundation**

**Blush**

**Lipstick (or tinted chapstick)**

**Eye shadow (Neutral, brown, and/or earth tones)**

**Eyeliner**

**Mascara**

**Make up remover wipes**

**Hair supplies to bring (Please put in a bag with their name on it):**

**Hair ties**

**Barrettes**

**Bobby pins**

**Brush or comb**

**(Any other supplies they like to use)**

Our hair/make-up volunteers will be assisting the kids with their make-up and hair for the show. No elaborate hairdos are needed. We will just make sure it looks neat and is out of their face.

Let me know if you have any questions!
