

October 8, 2024

Hello everyone,

The kids have been doing a great job at tech week rehearsals! **I wanted to request that when they bring their costumes and make-up tomorrow, that the costumes are on a hanger and anything that cannot be hung up is in a bag that they can keep at Lanterman.**

The kids are responsible for putting everything back where it belongs after rehearsals, so if they have a hanger and a bag, it will be much easier to keep things clean and organized. Let me know if you have any questions!

Best,
Katelyn
