Hello everyone,

I hope your kids are enjoying some well-deserved rest this weekend. They did a great job, and we are so proud of them. It is not easy to put together an entire production in 8 weeks, but they did it!

I'd like to thank all of our parent volunteers who gave us the support we needed to make this show possible. I'd also like to thank our backstage drama crew and committee for organizing all the necessary behind the scenes crew and tasks - especially our drama chair Nancy Gunther. Also, a big thank you to Susan Bolan and her admin assistant Eleanor Chapman, who make the programs and do all the work for the website.

Last but not least, thank you to our assistant director Tristan Waldron and musical director Nancy Abbott - I couldn't imagine putting on the show without you guys!

FYI: There will be emails coming soon about the following - pictures, lost and found items (this coming week), and the show recording (available within the next month or so).

Have a great rest of the school year, and we hope to see you at the next production!

Best,

Katelyn Fike
