Hi Ateens!

Hope your week went well and that you are embracing the fall season and cooler weather.

It was great to see you at our meeting last Monday, October 28th. We accomplished so many philanthropic tasks from filling 153 hygiene kits for Operation School Bell, a true “Stuff-a-Geddon” event, to making over 70 special treat/goodies Thanksgiving bags for Union Station homeless shelters.

We spent time with our teams officially signing on to the Volgistics site to log volunteer hours. Remember your password and don't forget to include meeting hours from 6pm to 7pm on meeting nights and your Bargain Box shifts. Thanks to Tina Daley for getting the system up and running and attending our meeting to answer any questions. If you have more questions or any concerns, you may contact Tina at info@alflintridge.org or 818-790-1328.

Sean Morrissey, Vice President of Advocacy and Community Engagement for Union Station Homeless Services was a dynamic speaker at our meeting on Monday night. His experiences as a homeless young adult to a leader in the field of connecting home and community is most impressive. Sean was joined by Lucas Troung, a high school senior from our community who has recognized the need to step in and make a difference in peoples lives. Their discussion was both enlightening and inspirational and your interaction with them was amazing. The thought provoking questions reflected your intelligence and compassion. Several of you asked about ways you might help. Here is the Union Station Homeless Services website:

Thank you to the Assisteens who worked extra shifts on October 19 and November 2. Your service is so appreciated! Remember to record your hours in Volgistics! On that note of extra shifts, help is needed on December 7 at the Elizabeth House holiday party. If you haven't signed up yet, please contact Reid at CONTACT INFO WITHHELD.

Don't forget, our next meeting will be on January 27, 2025!

Wishing you all peace, happiness and good health this holiday season.

See you in the New Year!
