

February 18, 2025

Hello,

I wanted to reach out and see if anyone has **"treasure" prop items** we can use for the show. This includes costume jewelry and any object that looks like an antique treasure. Please do not lend us anything especially precious to you or breakable! Please email me with a picture of said item if you have something you're willing to lend us. Thank you!

Best,

Katelyn Fike
